

# REFLECTING SKILLS in a Changing Job Market

State Rep Tony Hwang hosts  
**Job Skills Forum:**

**Monday, May 24, 2010**

**6 – 8:30pm at Fairfield Library's Memorial Room.**

**The Library is located at 1080 Old Post Rd, Fairfield.**

State Representative Tony Hwang (R-134) will host a timely job skills forum to help those who have been displaced in the current economy or help people who are looking to strengthen their skills, to successfully adapt in a challenging marketplace.

We have invited an **impressive panel of job market experts**, each of whom has volunteered their time and will share their unique perspective and experience with forum attendees and provide personalized question and answer session after their expert presentation.
